

EVALUATION OF ACADEMIC ADVISING

Students will be encouraged to complete an Evaluation of Advising form (attached) after advising appointments. The college and the departments will thus receive student feedback on the quality of advising received.

This program will be advised on the College website. The forms will be available in the student club room, department offices, and the dean's office.

Authority: Minutes of the Executives' Meeting, May 10, 1993
Administrative update, February 3, 2009

College of Engineering and Computer Science
