**Advisor Initials:** \_\_\_\_\_

**Program Planning** - The student, in cooperation with an advisor, should use a Program Guide and the corresponding undergraduate catalog to plan a complete program. Any problem which arises in connection with a particular Program Guide should be referred to the student's advisor.

**Additional Requirements:**

- Students are required to have two Multicultural Competence (MC) courses from any of the Wright State Core MC designated courses, Study Abroad courses, or Service Learning courses.
- Students are also required to have two Integrated Writing (IW) courses from the Wright State Core.

**Notes:**

1. **Use this guide, advisor consultations, and the Undergraduate Catalog to carefully plan a program of study.** Most courses are offered only once or twice a year. Completion of the courses in the order indicated on this guide is the most efficient path to graduation. Delaying these courses may delay completion of the program. Pay close attention to prerequisite and corequisite information listed on the right of the guide.
2. Students must have met the CECS entrance requirements in order to register for BIE courses numbered 3000 or higher.
3. **In the right-hand columns:**  
(\* ) denotes courses in a model program with a non-conflicting schedule for a full-time student;  
(a) denotes courses likely to be available;  
(•) denotes courses normally not available. Check the Class Schedule for current information.
4. Prerequisites to a course in { } may be taken concurrently with the course.
5. Course number followed by "c" denotes a corequisite course.
6. Departmental honors research or independent study can fulfill a maximum of three credit hours of TE or GE requirements.
7. (D) following course number indicates course is offered distance.
8. <sup>(C)</sup> = A C or higher is required to move to full major status for (PHY 1110/1110(L) or PHY 2400/2400(L)), and (EGR 1010 OR MTH 2240) and ENG 1100
9. ME courses with an asterisk (\*) are only offered once a year at the Lake Campus.
10. \*\*May substitute EE 2010/L or ME 2700 for CS 2800.
