

## ADDITIONAL COURSES AND PREREQUISITES

All other courses including prerequisites required for graduation.

Dept. Name	Course #	Hours	Enter Course Title	Waived	Trans	Grade	Sem/Yr Taken
CEG	7950	9	MS-CYB Thesis <b>OR</b>				
CEG	7960	6	MS-CYB Capstone project				

Total Hours Accumulated in Program	
------------------------------------	--

Total Hours Required for Graduation	30
-------------------------------------	----

A student's program of study must be approved by the Department of Computer Science and Engineering and the School of Graduate Studies. Students must satisfy all Department, College, and University requirements for graduation.

Transfer Credit: A program may contain at most 9 hours of transfer credit and at most 15 hours taken at Wright State in non-degree status.

Dismissal rule: A student with GPA lower than 3.0 who accumulates more than 6 hours of grades C, D, F, or U in computer science and computer engineering graduate courses will be recommended for dismissal from the degree program.

Listed below is a summary of the requirements graduate students must complete to earn a Master of Science in Cyber Security degree at Wright State University.

1. Have an approved Program of Study on file.
2. Complete the requirements for the graduate degree within 6 calendar years.
3. Achieve a cumulative grade point average of at least a 3.0 in all courses taken for graduate credit.
4. A graduate student in the thesis option must be registered in the semester the thesis is defended and present an approved thesis to the School of Graduate Studies.

**The Department reserves the right to revise the program of study in response to changes in the field and in the curriculum.**
