

ASME – WSU

January 9th, 2017

Meeting of Spring 2017

Topics

- | | |
|--|---|
| I. Call to order (4:00 p.m. in 405 Russ) | VI. Officer Training |
| II. WPAFB Outreach | VII. Relay For Life/Colleges Against Cancer |
| III. Pumpkin Chunkin 2017 | VIII. ASME Dayton Section Meeting |
| IV. T-shirt Design | IX. E-Week |
| V. Officer Positions | X. OrgSync |

WPAFB Outreach

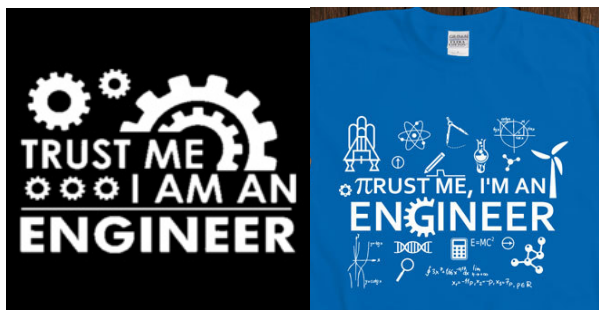

- AFRL Mechanical Testing: Mechanical characterization of materials via mechanical testing to evaluate material properties for temperatures ranging from cryogenic to elevated temperatures and in vacuum, air or inert environments.
- AFRL Additive manufacturing and 3-D printing labs
- Fischer-Tropsch Fuel Synthesis
- Landing Gear Testing
- Fatigue Labs: evaluate materials, stress metals, ceramics and composites.
- Accelerated Aging: accelerated aging on Airframes by using Heat and vibration and flexing to look for weakpoints in the structures of various parts of the airframe.

Pumpkin Chunkin 2017

- Tiffani Pickard is the activity leader
- \$600 Budget
- Anyone is welcome!! Please sign the paper if interested

http://www.miamivalleycfc.org/root/index.php?content_id=5127

T-shirt Design

*Recommended that we should put Nengineer (May be spelled wrong temporarily)

Officer Positions

Needs!

- President (1)
- Treasurer (0)

Filler Positions

- Vice President (3)
- Secretary (1)
- Place name where you would like to be considered for a role
- If you do not get your top position then you will be pushed to your second position
- Will take place February 6th (Next Meeting)

Officer Training

- There is a must attend training session for the president and treasurer

Relay For Life/Colleges Against Cancer

- This organization helps raise money for cancer victims. All of the money gained goes directly towards patients.
- If anyone is interested in forming a team let me know. There is already one interested member.
- Other clubs participate as well. May be a good and easy way to get our name out there. It takes place February 3rd from 4:00 to midnight.

ASME Dayton Section Meeting

- Need a member that will not be participating in Colleges Against Cancer to attend a Dayton ASME in the Russ Mechanical Engineering Office (Second Floor). This will be February 3rd at 5:00.
- They need someone to help give advice on how to help the student sections to get more interactive. Along with they may want a person to give advice about DESS if talked about.

E-Week

- This is an engineering week that clubs host activities to get their clubs names out
- We will be doing a K'NEX competition, refer to the papers passed out to see if it is too easy or hard

ORG SYNC

- Please download ORG SYNC and request to join, this is what allows us to be official
