

## **ASME – WSU**

**August 30<sup>th</sup>, 2016**

### **Meeting of Fall 2016**

#### **Agenda**

- I. Call to order (4:00 p.m. in 209 ME office in Joshi)
- II. Introduction
- III. DESS
- IV. WPAFB Outreach
- V. Study Tables
- VI. Potential Speaker
- VII. WPAFB Tour
- VIII. Miscellaneous
- IX. Social Time

#### **Introduction**

- Welcome to ASME and our first meeting
  - Introduce each other just in case of new faces or people.

#### **DESS**

- Dayton Engineering Science Symposium (November 1<sup>st</sup>, 2016)
  - Volunteers are needed
    - a) Set up (7-8 a.m.) \*NEEDED
    - b) Student presentation competition (after 8 a.m.)
    - c) Tear down (5 p.m.) \*NEEDED
  - For volunteering the keynote/lunch is free and there is potential to meet influential people in the industry

#### **WPAFB Outreach**

- In the past we have done SAMI activities and events.
  - Currently talks have died down
- These events may include mock drafts, keynote speakers, and other activities they may have in mind

#### **Study Tables**

- If interested ASME and NSBE (National Society of Black Engineers) will be collaborating this year with study tables.

- Every other Thursday from 6:30-8:00 in room 299 Joshi

### **Potential Speaker**

- Gene Adiutori speaking about “The New Engineer”
- Friday, September 30<sup>th</sup> around 1-3?

### **WPAFB Tour**

- Officers will take a test tour
- If successful then it may potentially be opened up for all American born citizens

### **Miscellaneous**

- If anyone would like a ASME t-shirt they are \$10, this is a small way ASME has raised money in the past
- Matt Ball Friday a little after fall fest from 5-7 in the student union gym (Let me know if you're interested so I can inform SPD)

### **Engilympics**

- Compiled of different engineering clubs
- date, time, and place not set yet
- From my understanding it is an engineering competition that is for students to enjoy with potential prizes

### **Future goals**

- Bring more students in and connect more
- Eventually have students compete in a national competition like in the past
- Separate into successful committees

### **Social Time**

- At this time you can socialize about ASME, school, engineering and leave as you please.
- If any questions feel free to ask and I will answer the best I can

### **ORG SYNC**

- Please download ORG SYNC and request to join, this is what allows us to be official
