

## **Meeting Information 4/4/16**

### **How To Get Involved**

Talk to Justin Warner or Marcus Bracey about activities that would like to be acknowledged and potentially done.

Volunteer

Officer options

### **Officer Positions Are Open For Interested Students**

Vice Pres.

Secretary

Treasurer

### **DESS 2016**

First week of November, meet with the professionals in the area. It is a place for the researchers to meet and talk. Volunteer time is optional and good for service hours.

### **WPAFB Outreach**

Lately we did a luncheon that consists mostly of civil engineers. This is another way to meet with the professionals. Also may critique resumes, mock interviews, and do other workshop like things.

### **National ASME**

More of the professional side of ASME and would cost \$25. This allows access to journal articles, job postings and other various information that would be available. There are also scholarship opportunities.

**Future Meetings** – Has not yet been established, when this is known about, you will be contacted.
