Request for Course Waiver by Proficiency Exam

This petition is a request to waive a course requirement for CS/CEG programs by taking a proficiency exam covering the course material. If the request is approved, the format and contents of the exam will be determined by the Undergraduate Studies Committee in consultation with the course coordinator. A $25 testing fee will be required for each proficiency exam taken. Additionally, a tuition charge of $25 per credit hour is required if credit is awarded for the waived course.

Completed course waiver petitions should signed by the course coordinator and submitted to the Department of Computer Science and Engineering, 303 Russ Engineering Center. After consideration by the Undergraduate Studies Committee, you will receive written notification of the decision.

Name: _____

UID: _____

Major: _____

Course number and title: _____

GPA: _____ GPA in major: _____

If this request is approved, and you pass the proficiency exam, you may request credit for the waived course by paying the appropriate course tuition. Do you wish to request credit for the waived course?
❑ YES ❑ NO

Have you waived any other CS/CEG courses? ❑ YES ❑ NO
If yes, please list all waived CS/CEG courses:

Please describe previous coursework and/or professional experience that you believe justify waiving the requested course requirement. Attach additional pages as needed.
